

What will I do today?

Your friend has created a decision tree to help decide what to do each day. See if you can answer the questions at the bottom of the page. Assume you can only make decisions based on this tree.

1. What would your friend do if it wasn't a school day, not raining, and not windy?
1. What would your friend do if it is raining and a school day?
1. Your friend ended up played chess yesterday. Was it raining?
